The Belgian Beer festival, the celebration of the Belgian Beer, is held for the eighth time in the middle of May. **This year 250 beers, including 65 draught beers from 45 breweries, are awaiting the fans of the Belgian beers.**

Tickets

You can choose from four kinds of tickets at the 8th Belgian Beer Festival:

Tickets available on-site or in pre-purchased:

“Sör kedvelő” ([Beer Lover](#)) entrance ticket: **4 glasses of beer + festival glass, 3700 HUF**

“Sörrajongó” ([Beer Fan](#)) entrance ticket: **6 glasses of beer + festival glass, 5000 HUF**

Tickets available only pre-purchased and in limited quantities:

“[BE\[ER\]HERO](#)” entrance ticket: **15 glasses of beer + festival glass, 9900 HUF**

“Sör kóstoló” ([Beer Taster](#)) entrance ticket: **20 x 0,1 l beer + mini tasting glass, 7600 HUF**

Every entrance ticket includes the same number of tokens as the number of beers indicated above and one glass. Both are necessary to get beer at the festival. (In more detail: Tokens and Glasses, quantities part.)

The ticket only has to be purchased once and you can consume the beer anytime during the festival. The only condition is that you have to bring the official glass or the mini tasting glass of the Belgian Beer Festival. So all tickets are valid for all the three days of the Festival. **Visitors who do not intend to drink beer can enter for free.**

You can pay by bank or credit card on site. Accepted cards are: Visa, Mastercard, American Express and the Vendéglátás pockets of OTP, K&H and MKB. Cash registers close one hour before the event closes.

Pre-purchased tickets

The Beer lover and the Beer Fan tickets can be purchased in advance at the nationwide network of Interticket or on JEGY.HU website.

The BE[ER]HERO and Beer Taster tickets are available on the website of Belga Sörmester in limited quantity and only in advance.

For those arriving with a pre-purchased ticket, we will give you a glass of Gallica Premium Pils beer at the festival!

With your pre-purchased tickets, look for the "Elővételes jegy / VIP" counters where you can pick up your cups and tokens.

Tokens

The official currency of the 8th Belgian Beer Festival is the token. We only serve you beer for these tokens. You can get your glass filled once at any beer counter for one token. So **one token = one beer** and it's true for all the 250 beers.

Tokens with the tickets: Beer Lover, Beer Fan and BE[ER]HERO: you get 4 (Beer Lover), 6 (Beer Fan), or 15 (BE[ER]HERO) "general" tokens. We fill your glass with (0,2 l) beer once for one general token.

Tokens with the Beer Taster ticket: we introduce the Beer Taster ticket this year, you get 20 pieces of tokens which differ in colour from the general ones. We fill your mini tasting glass with (0,1 l) beer once for one taster token.

You also get a "Gallica" token in case you have a pre-purchased ticket. You can get your Gallica Premium Pils for this as a present.

You can buy further tokens for 650 HUF, and Beer Taster tokens (two for 650 HUF) at the designated counters.

You can use your tokens at the SHOP also (see: Locations).

The counters selling the extra tokens close half an hour before closing the event. We cannot return money for the unused tokens.

Glasses, quantities

Depending on the type of the ticket you get the official glass or the mini taster glass of the Belgian Beer Festival. The glass is yours from then on.

The Festival glass is made of glass with a lion coat of arms that was specially made for the Belgian Beer Festival. The **volume of the glass is 0,2 l** at the mark. **You can get beer in your festival glass for the general token only.**

The mini taster glass is also made of glass, its shape is the same and it has the logo of the Belga Sörmester, it was made for the festival this year. The **volume of the glass is 0,1 l** at the mark. **You can get beer in your mini taster glass for the Beer Taster token only.**

Only the above-mentioned glasses are allowed to be used at the Belgian Beer Festival. We fill your glasses up to the mark in every case, the beer foam goes above the mark. We would like to draw your attention to the fact that some traditionally made beers do not have a foam. We give glasses only with the entrance tickets. Please take care of your glasses as we cannot give you a new one in case yours becomes lost or broken. You cannot return your glasses.
